## DAY 1 ARRIVAL IN WINDHOEK - ERINDI

---

The Land Rover team will meet you at your chosen hotel in Windhoek prior to 11.00am and transfer you to where you'll have your briefing and can familiarise yourselves with the vehicles. We'll then begin our adventure.

Our opening day is relatively short, with a drive from Windhoek, heading north to the Erindi Private Game Reserve and our lodge for the evening. After check-in and a little time to settle into your room, we'll depart on an open vehicle safari drive, searching for some of Africa's famous animals. Erindi is world renowned for its amazing game viewing. This is your opportunity to view the majestic African Elephant relaxing under an acacia tree or see a lion lazing in the late afternoon shade before heading out for the evening hunt.

**Please note** - Guests should either arrive in Windhoek the day prior to the start of the tour or arrange for their flight to arrive at Hosea Kutako International Airport by no later than 9.00am, on day 1, where the Land Rover team will meet you at the airport.

## DAY 2 ERONGO MOUNTAINS (SPITZKOPPE) - HENTIES BAY

---

After breakfast, your journey will take you out of Erindi private game reserve, then passing through some of the small rural villages and towns in this part of Namibia. This will also be your first taste of the long seemingly endless dusty roads that Namibia is famous for. You'll tackle some off road tracks near the Erongo Mountains, famous for its balancing rocks, before your lunch stop near the famous Spitzkoppe granite peaks.

We'll then cross the Namib Desert and head for the Skeleton Coast at the town of Henties Bay. From Henties bay we head south but not before you try your hand at some beach driving. A purely exhilarating experience with the waves of the Atlantic Ocean crashing down right beside you.

We finish the day's drive off with a stop at a ship wreck and our final stretch to Swakopmund for our night's accommodation.

## DAY 3 SWAKOPMUND – SAND DUNES

---

An exciting morning awaits as you'll head into the sand dunes that surround Swakopmund. The sight of our Land Rover vehicles traversing the dunes is something to behold and with the capabilities of these vehicles in the sand, they truly come into their own. Your Land Rover Defender will literally eat up the sand dunes and show why they are truly one of the world's most remarkable off road vehicles. Once your Defender has been refuelled and tyres re-inflated, we'll head back towards Windhoek for our final night together at a lodge.

## DAY 4 WINDHOEK

---

Depending on your flight time, you'll have the morning to relax and enjoy the nature around this wonderful place. And possibly get a little shopping done too. The Land Rover team will transfer you to the airport. Then it's time to say goodbye! We hope you had a great time with us in Namibia and have made many exciting memories. Have a safe journey and we hope to see you again on one of our future Land Rover Experience Adventures.
